PRESIDENT'S CORNER

Well, time has passed and this ARMA season is coming to close. You will have a new chapter president (Eric French), as well as a new VP (Scott Weikel) and a new director (Rhonda Freeze). Some of the board members are serving again, and we will be grateful for their experience and direction. New and old, you will have a dynamic board for next season's activities.

I have greatly enjoyed serving as your chapter president these two years, and hope you received both professional and personal growth from our meetings. It is such an interesting, high-quality group, and I enjoy networking with all of you. I'll still be around, and I look forward to getting to know you better when I don't have to worry about conducting the meetings.

Please look elsewhere in this newsletter for your June activity at the Ronald McDonald House, and plan to participate if you can. I hope to see you there. In case I don't, I'm wishing all of you a wonderful summer, and hope to see you at the start of the new season in September!

Gladys

I am very excited about the opportunity to serve as your next President of the Greater Cincinnati ARMA Chapter. I have gained so much as a member of the group for the past several years through the informative monthly speakers, wonderful resources such as our reference library, and wealth of information provided by networking and building friendships with our terrific members. With your continued support, I hope I can live up to the outstanding legacy of our past leaders and keep moving our chapter forward as an organization. I also invite you to please send me your thoughts and ideas for the chapter. Active participation by our membership is what has made us successful and will keep us on the forefront.

To share a little about myself, I have worked at Fidelity Investments for over 16 years and have served as the records manager for the largest part of the Fidelity business for the last 4 years. I obtained my CRM in May of 2009 and have served as the College Relations Committee Chair for our ARMA chapter for the last year. I hold BS and MA degrees in Communication from Miami University in Oxford, OH. My wife, Carol, and I have been married for 18 years and live in Hebron, KY with our two children, Allison (age 14) and Andrew (age 12). In our limited free time, we love to go boating at Norris Lake in Tennessee, follow our favorite team—the Cincinnati Reds, and I also enjoy genealogy.

I want to give a special thanks to our outgoing Board members, especially our President, Gladys Parker, for leading an organization that we all can benefit and be proud of. I wish everyone a safe and happy summer, and I look forward to everyone joining us in the fall.

The Ronald McDonald House, a supportive “home away from Home” for families and their children receiving treatment at Cincinnati Children’s Hospital Medical Center, has been the Greater Cincinnati Chapter of ARMA’s charity since 2007.

This year we have continued to collect monetary and food donations at our meetings, along with many pop tops and we also replenished their pantry in December. It was decided at our last board meeting to add to our donations this year by sponsoring a hole at their annual RMH Golf Classic to be held on June 14th at the Kenwood Country Club. We have asked them to put our website on the signage and hopefully this will perk the interest of the participants to check us out.

Our last event for the year is a scheduled snack evening on Monday, June 21st from 7:00 pm – 9:00 pm, by being onsite and filling the air with the aroma of homemade desserts to be enjoyed by the occupants of RMH. Bake sheets, etc. will be provided. You can bring pre-made/store-bought dough if you wish. **This evening is limited to the number of volunteers so if you are interested please contact Debi Baker at 603-5622 or Debi_Baker@cinfin.com.**

The items listed below are from the wish list posted on the RMH site www.rmhcincinnati.org. These items are appreciated and needed for the day-to-day running of the house.
